

CADEM 2019 – BART Sustainable Transportation

BART Sustainable Transportation from San Francisco (SFO) and Oakland (OAK) International Airports

Take BART from SFO to San Francisco

It's easy to get a round-trip (RT) BART SFO transfer to San Francisco when you fly into SFO. **Just go to <https://reservations.aresttravel.com/attraction/list/11707/m1246>**

and buy a RT transfer voucher for only \$21.00. Then print it, take it with you and exchange it at SFO for your BART ticket. Then walk to the station down the hall, place your ticket in the gate, remove it to open the gate, keep it and board a train to San Francisco. When you arrive exit at the closest station to your hotel. * This is the fast, easy, low cost way to get to downtown San Francisco.

Take BART from SFO and OAK

BART direct service from SFO and OAK is fast and easy with lower fares than ride share companies. Plus, it gets you from SFO or OAK to downtown San Francisco in 30 minutes or 45 minutes respectively.

CADEM suggests taking BART airport service from SFO or OAK when you arrive and depart at either airport. **BART** has four downtown San Francisco BART stations conveniently located within walking distance to most downtown hotels. We also encourage local attendees to take BART because of its easy access to Moscone.

You can help **CADEM** achieve its sustainability goals by taking BART from SFO or OAK to your hotel in San Francisco. Take BART OAK or SFO and **keep 20.2 lbs of carbon per round trip out of the air.**
