

## Scooter/Mobility Rental

The Long Beach Convention Center Complex is a big place. Even people who don't have a mobility challenge you may find that the amount of getting from here to there at the convention causes difficulty.

The Chair of the Disabilities Caucus, Hene Kelley, continues working with the CDP staff in achieving helpful solutions.

**"Cloud of Goods" will be providing mobility gear to those who need it** while in Long Beach during the convention.

**To review available equipment go here:** <https://www.cloudofgoods.com/anaheim-ca> for Cloud of Goods' Website and you **MUST CALL THEM** at: 714-577-2657 to get a rental quote and to reserve equipment.

They will deliver to your hotel room or wherever you are staying and you will receive a 10% discount when you use the code: **RENTGEAR054** (*this identifies you as a CDP convention attendee*).
